Module: Authorisations/Training Records Centre, Contract Management, Mid Term Inspections, Monthly Reporting, Technical Specifications

Release Date: 13/01/2021

Title of Item: Ability in selecting the multiple documents by using shift key functionality.

Description: Using shift key functionality, users can now select multiple documents in the Modules mentioned above. This will remove the need for manual selection of documents. For example, if 10 documents belong to a document group and the first and tenth document are selected, all documents between will be automatically selected.

Mid-term Inspections » 20333

The screenshot displays the FLYdocs software interface for document management. At the top, there is a navigation bar with 'Mid-term Inspections » 20333'. Below this is a table with columns for 'Row No.', 'Inspection Start Date', 'Contact Name', 'Last Contact Date', 'Type', 'Inspection Completed Date', 'Expiry Period', 'Reminder Period', 'Reminder Date', 'Expiry Date', 'Inspector', 'Remarks', 'Received By', 'Resolute By', 'HTI Desc.', 'reference Column', 'Check List', 'Work Status', and 'Save Row'. A row is visible with '2' in the 'Row No.' column and 'Mid-term Reviewed' in the 'Work Status' column. Below the table is a toolbar with buttons for 'All Documents', 'Group 1', 'Test', 'Misc.', 'Master Review', 'Miscellaneous', and 'Tech Document'. There are also buttons for 'GO TO PREVIOUS ROW' and 'GO TO NEXT ROW'. A 'FREEZE PANE' toggle is set to 'ON'. Below the toolbar is a search bar with 'Attach/Move To:' and 'Select Client'. A status bar shows '4 File(s) Selected.' and '1 - 30 of 74 Files Found.'. The main area displays a 'Group 1' header and four document thumbnails. Each thumbnail shows a document preview and a list of actions: 'Use', 'Reject', 'Approved', and 'Un Mark'. The first thumbnail is a 'Dummy Document.pdf (30.79 KB)'. The other three are 'Cross check_Test Doc -0001.pdf (9.04 KB)'.
